**POUGHKEEPSIE, N. Y., June 29.**—With the great intercollegiate regatta only twenty-four hours off, work in the shallow today has been of the lightest possible kind. All of the coaches hold that they have done all that they can to put the men in condition, and therefore the regatta is a mere formality to an end to-day and the crews rowed only enough to keep limbered up for the hard work to-morrow afternoon.

When the different squads come to the start for the 'Varsity race they will line up in the following order, beginning from the west shore: 1, Cornell; 2, Pennsylvania; 3, Georgetown; 4, Wisconsin; 5, Columbia.

These positions were determined in the drawing by representatives of the colleges last night. The line up in the four-oared 'Varsity race will be: 1, Columbia; 2, Cornell; 3, Pennsylvania; 4, Georgetown; 5, Wisconsin; 6, Cornell.

In the freshman race it will be: 1, Pennsylvania; 2, Columbia; 3, Wisconsin; 4, Cornell.

Spectators will be able to tell the crews by their jerseys, which will bear the college colors.

The colors of the various contestants are as follows:

Cornell, red and white; Pennsylvania, dark blue and red; Columbia, light blue and white; Wisconsin, cardinal; Georgetown, dark blue and white; Cornell, light blue and white.

In the 'Varsity four race the crews will be designated by a colored button on the fore of each, as follows: Columbia, light blue; Cornell, red; Pennsylvania, dark blue; Wisconsin, cardinal; Georgetown, dark blue and white.

The rules of the course on Saturday, of interest to yacht owners and excursion boats, provide that: First, on the day of the regatta all yachts and excursion boats will be given positions on the established police line in the order of their arrival and application. Small yachts and boats will be given positions in front of the larger craft. All vessels must be anchored in the order of their arrival and application. The day no vessel will be allowed on the course excepting the boat or boats for the use of the referee, the racing officials and the police of the course and the launches of the competing crews. No vessel will be allowed to anchor to the

This Was an Off Day at the Track—The Programme Was the Poorest of the Fleet and the Attendance Small.

(Special to The Evening World.)

**RACE TRACK, SHEEPSHEAD BAY, June 29.**—This was an off day at Sheepshead Bay, and apparently, off days are not popular. The attendance was decidedly on the attenuated order. The programme was the poorest of the meeting and didn't promise anything out of the ordinary. Two races for maidens and three cheap races are not conducive to good racing.

The weather continued in its usual hot strain, the west wind having no cooling properties. The sun was fast and it could be the storm of last night had no effect on it.

**Petra II. Had the Speed.**

The opening dash was as usual for two-year-olds out of the chute. The favorite was Senator McGowan's Azura and she was backed for thousands of dollars, being played down to 11 to 3 from the opening price of 4 to 1. Janine opened favorite, but the rail riders noted that her warming-up gallop was poor and they stayed off and the price went up to 12 to 1. Petra II. and Janine were the best of the others. The winner turned up in Petra II. She had the speed of the champion, but she was not so sure-footed as Azura. When they straightened at the start with a rush, and in the last sixteenth she was forced to jump and ride hard to win by a neck. Azura was a length in front of Oriental. Azura stopped to a walk.

**Peaceful Won Handily.**

Richwood made his reappearance in the second race at a mile and sixteenth on the grass. He was not a hot favorite. Adonides and The Rose were the best of the others. Peaceful won handily, ridden by Lauch, fell on the first turn, and the Rose, with Damiano on her back, fell over him. The boys were not hurt and the horses appeared away. Peaceful later dashed into a fence post and injured her shoulder.

As the third race, a mile and sixteenth, was being run, the boys took the lead, followed by Peaceful, Lady Massey and Adonides. They ran the way to the stretch turn, where Peaceful won by a neck. The boys were not hurt and the horses appeared away. Peaceful later dashed into a fence post and injured her shoulder.

**Good Thing Was Second.**

The third race, for selling plates, was run over the three-quarters straightaway. Miss Heister, the favorite, then won by a neck. The boys were not hurt and the horses appeared away. Peaceful later dashed into a fence post and injured her shoulder.
